## P R O F I L E

A passionate student of Mechanical engineering with knowledge of various engineering management subjects. I am also a frontend developer (html, CSS, js). I'm extremely passionate about what I do and I learn very fast. Extremely self-driven, tenacious and diligent. Always looking for new tasks and skills to take on and excel at, will not easily back down from a challenge. If given the chance at this reputable organisation, I will serve as an intern with the utmost dedication.

## E X P E R I E N C E

### ● Intern

2016 - 2017 | Brooklyn Nets INC, Remote

I interned in this company under the frontend department. I was able to learn how to collaborate with peers, work under pressure, meet deadlines consistently and deliver effectively with little supervision.

### ● Frontend Developer

2017 - 2019 | Golden State Warriors

I worked alongside a team. I developed 25 original e-commerce websites and web applications, encompassing design, coding, testing, and maintenance whilst supervising a team of 10 web developers.

### ● Web Developer

2019 - 2021 | Portland Trailblazers

Trained and supported 5 new hires remotely to conduct interviews, lead classes and debug code through the 2020 Advanced Immersive Program which focused on teaching software engineering and core web technologies.

Improved performance by resolving more than 80 critical bugs in the company's products to improve performance.
